part of Leicester's  
**greenlines**  
electric network

We all want our city centres to be places where everyone can move around easily and enjoy them without the nuisance of congestion and harmful effects of pollution.

That's why park & ride really makes a lot of sense today, and Leicester park & ride is so easy to use.

Park free in any of the three sites dotted round the edge of the city - they're easy to find, are staffed and have CCTV - then hop on the brand new all-electric buses that ferry you quickly and quietly into the city centre every 15 minutes.

Travel time is between 10 and 20 minutes.

## ZERO EMISSION ELECTRIC POWER

These buses are fully electric, which means they are quieter, smoother and help keep the air across Leicester cleaner and fresher.

They also have free WiFi on board, so you can stay connected on the move.

day  
**£3** up to 5 people arriving in one vehicle  
unlimited travel all day  
pay the driver with cash or contactless
