

St Clare's Primary, welcome to

This will be a great opportunity for your children to get to school in a safe and active way.

Convent Drive will be closed on Thursday 28 August, 8am-9am and again at 2:30pm-3:30pm.

We aim to launch a Park & Stride route nearby which will help groups walk, scoot or wheel to school safely. More information will be emailed over the summer and available on our website. Follow our social media for updates and to see what else we are doing to keep the county moving!

Coming soon

Why?

Parking, congestion, air pollution and safety around schools continues to be a key concern for schools, residents and communities.

What?

The School Streets initiative looks to provide a solution to these issues through a time limited congestion free zone during school drop off and pick up times. This initiative prioritises pedestrians such as parents and children by providing a safe space for people to walk and cycle in the vicinity of the school through a hard or soft closure of the road or street.

Who?

The Scheme will be coordinated by Leicestershire County Council who will;

- Deal with all enquires, complaints and consultation responses.
- Develop engagement and communications plans including campaign for volunteers.
- Provide training for volunteers.
- Inform businesses and residents of the trial as part of the Traffic Order consultation process.
- Arrange a park and stride location where possible.

When?

School streets are launching on Thursday 28th August, with planning and preparation taking place throughout the summer.

We'd love you to be involved!

If you'd be interested in volunteering talk to your school or email choosehowyoumove@leics.gov.uk
